One 1000 Genomes person: variants in the panel's MANE exons plus 20 bp, 1000 Genomes AF below 1%, ClinVar P/LP removed
One ClinVar P/LP variant, 2+ review stars, drawn to a quota per consequence; inserted, not observed
One case: background plus one diagnostic variant
Each score ranks every variant. Competitors: background variants at or above the diagnostic (ties and missing scores count against)
Top 1, 5 and 10: share of cases with fewer than 1, 5 or 10 competitors
